Have you ever wondered what it would be like to be a facility manager for a brewery? Now is your chance to find out! Join us for a tour of Breckenridge Brewery led by their facilities team! The tour will be followed by networking with snacks and beverages. Breckenridge Brewery in Littleton sits on 12 acres of land that was once a carnation farm. The farm inspired campus on Brewery Lane features a new 100-barrel brewhouse, barrel-aging room, all new packaging, tour staff, and the Farm House Restaurant. The Farm House is so much more than a tasting room. The wraparound porch and spacious beer garden offer multiple areas to convene, relax, and take in views of the majestic Rocky Mountains. Enjoy a comfortable atmosphere indoors, or a leisurely communal experience outdoors with fire pits, bocce ball, or challenging friends to corn hole.
