YOUR HELP IS NEEDED

Chapter Members: We need your help with a minor challenge...members singing up, but not attending events. Because we have to commit to the number of meals for an event, we get charged even if you, the member, does not show up. Though we generally average about 100 in attendance, we have had 15-20 no shows recently. Even adjusting for the potential of some no-shows, can still cost the Chapter \$400-\$800 extra, which are funds which could be used for partial education scholarships or another initiatives. We understand when an urgent matter comes up and you cannot

A great thank you to Darin Rose, Carolyn McGary, Dennis Supple, Byron Edwards, and Vimol Mitchell for teaching the course. This is the first time Dennis and Byron taught the course and they did a great job. As a reminder we have the FMP and CFM courses coming up - if you have not signed up and are seeking a credential please do so by the end of the December to take advantage of the early bird savings.
