"Being a part of our local chapter gives you outstanding opportunities to local networking with colleagues, luncheon seminars, social events to include facility tours and workshops, employment referrals, on-site FM credentials courses, community services events, and joining chapter committees and serving in a chapter leadership position."

NEW CHAPTER MANAGER

Dear Member,

We have been extremely fortunate to have Diane Stone take care of us over the last ten years. When she announced her retirement earlier this year, a committee was created to find a replacement.

I am writing to introduce you to our new Chapter Manager: Debbie Reece, CMP.

Debbie is a Certified Meeting Professional (CMP) and has more than fifteen years' experience in an association management experience, most recently supporting the financial planning, events, and marketing industries.

Debbie will be working for the Chapter full-time beginning in August. In the meantime, she will be working for the Denver Chapter of IFMA part time as she transitions out of the other associations.

Please welcome her and introduce yourself at an upcoming IFMA event. The Summer Social will be held on August 1st.

I would also like to thank the replacement steering committee who interviewed candidates and recommended Debbie. They will now switch from searching mode to assisting in the training process.

Sincerely,

Darin Rose
President, Denver Chapter of IFMA
